

## SECONDARY MUNICIPAL SCHOOL TAKI DASKALO BITOLA

### SOU Taki Daskalo

The Secondary Municipal School "Taki Daskalo" from Bitola was founded on 1<sup>st</sup> September 1984. It is located in the south-west of Macedonia.

We are a secondary school with:

1. High school education department: Social-Humane area, Science, Languages & Arts
2. Vocational education (3 or 4 years of education): geological-mining, textile, traffic, graphic design, surveying-architectural, hotel hospitality and tourism vocation.
3. Specialized education - driving instructor of 5<sup>th</sup> educational degree

There are around 850 students in our school, aged 15-18 and 110 teachers.

Our school aims at contemporary teaching with up to date techniques and methods. The school is, by far, one of the most advanced schools in the country regarding education practices, skilled team and supportive management. The school is constantly investing in in-service training of staff in this field.

Now, the school is included in the six ongoing Erasmus+ Key Action 2 projects, Co-operation for Innovation and the Exchange of Good Practices. We finished Lifelong Learning Program project, the KA1 Erasmus + project, the Inclusive Education project ("Regional Support for Inclusive Education in South East Europe", directly founded by EU and the Council of Europe) and many others.
